SUMMER AID REGULATIONS

- A. Eligibility for Summer Aid is based upon the anticipated number of semester hours the student expects to carry for the entire summer as reported on this Summer Application. Student loans require an enrollment of at least 6 hours.
- B. I understand that I must notify the Office of Financial Aid of any adjustments to the number of hours for which I am pre-registered and I realize that my original award may be adjusted accordingly.
- C. The Office of Financial Aid reserves the right, on behalf of the College, to review and modify, including cancel, awards at any time because of changes in your academic status, academic program, resident status, enrollment status, etc. All financial aid awards are contingent upon the availability of funds and the student's eligibility at the time of disbursement.
- D. I understand that if I am disbursed funds for which I am later determined ineligible, I will be required to repay those funds to the College.
- E. I understand that excess financial aid checks will not be released during the Maymester, even if I am enrolled for only the Maymester. Excess checks will be released approx. the fourth week of the Full Summer Semester.
- F. Financial aid funds for Summer Semester are very limited. Therefore, if you are awarded financial aid funds, these funds will most likely cover only your tuition and fee amounts. Financial aid will not be awarded to cover on-campus housing or meal plan costs.
- G. I understand that if I have a Direct loan for Summer Semester only, my loan amount will be divided into two disbursements.
- H. I understand that HOPE eligibility for Maymester and/or Summer Semester will not be determined until after Spring Semester grades are processed.
- I. I understand that my eligibility for Summer financial aid could be affected by ABAC's Standards of Academic Progress Policy after grades are reviewed at the end of Spring Semester for this prior academic year.
